Inspired by the success of the Swim-Pro F-1325, the Commander F-1681 features both therapy and bench style seating areas with the addition of the Cal Spas Exclusive Vertical Hydrossage™ station. We invite you to get well and attain fitness! Our swim system features 2 River Jets on top to provide smooth upper body resistance, while the lower 2 Old Faithful jets provide added resistance and lift, making this system perfect for swimmers looking a great aquatic workout to burn calories and increase muscle mass. Over 11-feet of unrestricted fitness area allows for intense treadmill swimming session which keeps the swimmer in place. Large enough for a group up to 12 with contoured bench seating. Do not under estimate the power of the Jet System V which is powerful enough for EXPERT level fitness swimmers!

Premium Options
